

*Residential
Building Limassol*

A three-storey residential complex consisting of six 2-bedroom apartments, two on each floor. Ideal for those who want to buy an apartment by the sea, who are interested in comfort, privacy and functionality of a closed residential complex.

The complex features secure parking, storage rooms and as well as state of the art green space for residents and a safe playground for kids. All apartments are functional, have high 3-meter ceilings, modern interior decoration, meeting European quality standards.

The apartments offer a breathtaking panoramic view of the city, the mountains and the sea. On the third floor there are 2 bedroom Penthouses, which have a large private roof terrace with the sea view.

As an additional option, the terraces can be equipped with swimming pools or Jacuzzi. All residence have open access to a shared roof terrace.

Our project is located in Mesa Getonia, one of the central areas of Limassol, within walking distance of supermarkets, shops, restaurants, pharmacies and just a 15-minute walk to the sea and city's sandy beach.

MAIN ADVANTAGES

Convenient location

Privacy (6 apartments in the building)

Modern functional and cozy apartments
